DOCUMENTATION AS A DIALOGUE BETWEEN CHILD, EDUCATOR/ARTIST AND PARENTS

Photo: Eloise Robinson 1st Place Children and Parents' Centre

“Documentation finds its value when it is interpreted, reflected upon, and when the significance is constructed between adults and children.”

Quote: Penny Lawrence article EYE journal 06/10/10

This is an opportunity for you to:

- listen to practitioners sharing recent developments relating to documentation
- add to our continuing lines of enquiry by reflecting, asking questions and sharing knowledge

Everyone welcome!
